nhow
elevate your stay

nhow brings an unprecedented

coefficient

of hospitality. it introduces an exponential factor which overcomes sensations and experiences

nhow starts a new

proportion

among style, values and self-respect nhow raises everything to a

maximum power.

milanoⁿ

milan, capital of fashion
and design, the beating heart
of the country, the engine of the economy, a laboratory of creativity.
business, international fairs,
artistic events and cultural openings
take place here for the same fresh and
dynamic flair and the same frantic and
everlasting rhythm that attract the
interest of tourists with a wide variety of tastes.

because milan is something more,
it's the city of
contradictions
classic and modern, trend
and countertrends, fashion
and underground style.

contemporaryⁿ

nhow milan is the new face
of hospitality par excellence

fruit of that sparkling mix of typically italian
glamour, incredible design and elegance.
born from the experience and the
proven expertise of nh hotels that met the
creative talent of dhd (design hotel development).
nhow goes beyond imagination,
combining comfort and minimalism,
technology and latest innovations
in contemporary architecture.

star partner in an
industrial renovation,
it has kept its spirit.

now chooses a versatile location
situated in the south area of milan:

via tortona.

a strategic location that becomes
an avant-garde creative laboratory
full of lively ideas and
psychedelic atmosphere.

welcomeⁿ

now turns the architectural space concept upside-down by prioritizing the social place model. a container for experiences that are ready to surprise every glance. gesture or rational thought, pushing your expectation beyond all limits in each of its 249 rooms, thought as autonomous vital modular space with the ideal conditions for all moods.

an extra-functional and ultra-technological place, where you can use an equipped mini-bar for your most exclusive cocktail parties along with some other original features. the 2-level nhow suite is the most sophisticated room. its charming 320 squared meters host business meetings and private parties. the upper floor houses a glass-floored private pool, whose transparency irradiates the downstairs space within a theatrical light scene.

dynamicⁿ

nhow is a chameleon.
it keeps in step with the latest cosmopolitan trends.
the common areas of the hotel
are discrete and unique,
private and dynamic.
these dynamic spaces change periodically,
providing a brand new
experience every 4 months.

these constantly
renewed, multi faced areas
are animated by creative objects
and subjects, books, art exhibitions,
fashion shows, concerts.
now is a constantly renewed venue,
where every single
corner of which is a
new breakthrough.

T35, a lounge area bordering the hotel. a place designed for housing the coolest events in the city; a place where guests are masters of the house. a impertinent beach surprises you, when you admire an unexpected breathtaking sunset from the roof of the hotel.

eventsⁿ

at nhow, the conference center provides rooms available for up to 1,600 guests; every one equipped with the most advanced tech facilities. the center is ideal for events, parties, happenings, fashion shows, photo shoots and business meetings. during summer time original outdoor venues are also available.

tasteⁿ

the pleasure of an experience that goes beyond imagination, offering innovation and experimentation in a gourmet itinerary through the restaurant and the cuisine. some of the best chefs in the world create their masterpieces for the nhow restaurant, an atelier of creative haute cuisine.

artⁿ

there are art galleries which host
the creative expression
of an artist and invite us to share it.
then there are the museums that bring together icons
describing the aesthetic senses of other periods.
and there is now uniting all this with its feeling for
art, design and counterculture
highlighting unique pieces that occupy the space
with nonchalance.
where each object seems to evoke its own purpose
whilst being a witness to the absolute power of creativity.
